Great  
American  
Shortcourse

Victorville, CA  
Round 8 & 9

NOVEMBER 4 & 5

# VICTORVILLE

## PRE-RACE DAY

In the climactic conclusion of the 2023 season, John and the team made their way to Victorville, CA, for the Great American Shortcourse (GAS) finale at the San Bernardino County Fairgrounds.

During qualifications, it was evident that the team seamlessly transitioned from Chandler, AZ, as both the Pro 2 and Pro Lite secured P1 for Saturday's races.

# ***Saturday:***

On a sunlit Saturday afternoon, John prepared amid palm trees, and as race time approached, he ensured the Pro Lite was ready for action. Once on the track, John's smooth and precise driving over the 12 laps earned him the checkered flag.

Swiftly transitioning to the Pro 2, John aimed for the podium once again. Building on the speed demonstrated in Chandler, he wasted no time, securing the hole shot and power-sliding his way to another 1st place finish, setting high expectations for Sunday's race.

# SUNDAY:

Sunday brought a setback as the Pro 2 faced challenges, marking the conclusion of John's 2023 Rookie year in Pro 2. Despite this, John got the Pro Lite back on the track for an exciting finish.

Starting at the front of the pack, Johnny grabbed the hole shot, but unlike Saturday, competitors were eager for a challenge. John and a formidable opponent traded the lead spot, engaging in a fierce battle for the main line. As the race progressed, the intensity heightened. In the final moments, a power loss in the Pro Lite cost John ground, and he crossed the checkered flag in 3rd place, a thrilling end to the season.

As the sun set on the exhilarating 2023 racing season, John can reflect on a year marked by triumphs, challenges, and unwavering determination. The journey to Victorville for the Great American Shortcourse (GAS) finale showcased the team's prowess, securing pole positions and delivering podium-worthy performances.

Among the highlights, John clinched an overall 2nd place finish in the Pro Lite division and secured a 3rd place overall in the Pro 2 division. These achievements, combined with the unwavering support from fans, sponsors, and racing enthusiasts, serve as powerful fuel for John's anticipation of the challenges and triumphs that the upcoming seasons hold.

Thank you, for fueling our passion with your unwavering support.
