# THE CRANDON TRADITION

Is there anything more iconic than Crandon International on Labor Day Weekend? From the high-energy parade rolling down main street, to the packed campgrounds filled with fans who treat this place like a second home, Crandon is much more than just a racetrack, it's tradition. The Red Bull Crandon World Cup brings together the best drivers in the world. It's a weekend where legends are made, memories are shared, and this year, it came with a little extra celebration: Johnny's birthday!

But Johnny didn't just show up to celebrate. He came ready to race. With the biggest stage and the loudest fans, Johnny came ready to defend the Pro Lite World Championship.

# FRIDAY KICKOFF:

Friday kicked things off with the Pro Lite vs. Pro Buggy Cup, where Johnny drove strong and came home with a 5th place finish. But all eyes were really on the Pro Lite races set for the weekend, where Johnny has been a force all season long.

# SATURDAY SHOWDOWN:

Saturday's Pro Lite showdown started with the famous land rush start, where Johnny charged off the line and grabbed 2nd after coming out of turn one unscathed. He kept the pressure on the leader and made his move in Calamity Corner, taking control of the race. From there, he set the pace, but the battle up front only intensified heading into the competition caution. As the race resumed, it didn't take Johnny long to reclaim the lead, and he never looked back, taking the checkered flag for his 8th Pro Lite win of the Season.

# SUNDAY WORLD CUP BATTLE

## THE 56<sup>TH</sup> RED BULL CRANDON WORLD CUP

Sunday was the big one: the 56th Red Bull Crandon World Cup. We witnessed an absolute thriller as the Pro Lites lined up not once, but twice, after an early caution forced a full restart. When the dust settled coming out of turn one, Johnny was locked into a three-way fight for the lead, putting on a masterclass in speed, determination, and racecraft. Lap after lap, he pushed harder, digging deep for a chance to take home the Crandon world championship for the second straight year.

With everyone on their feet and just one lap to go, Johnny set up a bold outside-in move for the lead. He had the edge but came up just short at the line. An instant classic, showcasing two competitors giving it their all.

# ON THE HUNT FOR THE CHAMPIONSHIP

As we look forward to the final round, the pressure's on. After a dominant performance throughout the season, including 8 Pro Lite wins and 11 podium finishes, everything leads to Glen Helen. Johnny has proven he has the speed, consistency, and the determination to bring home the 2025 Pro Lite Championship, and with one race weekend left, it's all on the line. On top of that, Johnny is also sitting 5<sup>th</sup> in the Pro 2 division.

We couldn't be more grateful for our crew, sponsors, and fans who have been with us every step of the way. From the long nights in the shop, to the unforgettable weekends at the track, your support makes this journey possible.

One more race weekend. One more chance to make history. Let's finish this season strong and bring that championship home!
